Please note that if mounting instructions are not received with your deposit, trophies will be mounted to their best advantage. Repairs to field damaged skins and horns are subject to an extra charge. We are not responsible for any defect which may occur as a result of poor field preparation. Taxidermy Africa is not responsible for any loss or damage due to storm, fire, theft, political riot or any other reason whatever. Insurance can be arranged for trophies on our premises and in transit at an extra cost.
